SUPPORTING YOUNG PARENTS WITH TODDLERS

Course Introduction

Toddlers have an energy all of their own and young parents can find it difficult to cope with the demands and behaviour of their children and this time. This workshop provides advice to professionals who are working with young parents with toddlers. The course includes information on communication, coping with emotions, understanding toddler behaviour, parenting advice and much more.

Course Details

This course is suitable for Connexions PA's, Family Support Workers, Community Involvement Workers, Group Facilitators, Young Parent Coordinators, Children's Centre Workers and Parenting Practitioners. This one-day training course is for anyone who is supporting young parents with toddlers.

By the end of the programme participants will have experienced:

- issues of supporting young parents with toddlers;
- advice on managing toddler behavior
- promoting positive communication in young parents;
- suggestions for anger management, activities, coping with emotions, parenting advice;
- advice on group activities to support young parents with toddlers
- suggested resources
